

[BUILDING 6

Unit 10

Third-floor residence with four bedrooms and a large covered terrace.

A separate, well-defined entrance leads into the residence and provides access to a full guest bathroom. The bright living area is arranged as an open-plan space with an open kitchen, divided into a dining area and a conversation area. An additional room completes this area, ideal as a study or fourth bedroom.

A hallway leads to the sleeping area, consisting of a master bedroom with en-suite bathroom, two additional bedrooms and a full bathroom.

The large covered terrace, extending along two sides of the residence, is accessible from the living area and the master bedroom, enhancing the livability of the spaces and offering a private setting for relaxing outdoors.
